The General Secretariat for Gender Equality of the Ministry of Interior and Administrative Reconstruction implements the Flagship Project "Service organization for the integration, monitoring and evaluation of Gender Equality Policies in all aspects of Public Sector's Actions (Observatory)". The aim of this Project is to support Public Administration and Local Governments to design, implement and evaluate policies concerning gender equality, through detailed data on equality issues (statistics and surveys) deriving from the development and function of relevant tools.

Under this frame, actions of publicity for the project are being implemented and in particular 8 technical meetings/workshops with the participation of officials, 2 conferences and production of printed and electronic informative materials

The **Third Technical Meeting/ Workshop** was held on **Wednesday, May 27th, 2015**, with the purpose to inform the participants for the purpose and the implementation progress of the Project.

In this meeting participated government officials of the **General Secretariat for Gender Equality** of the Ministry of Interior and Administrative Reconstruction, the Coordination, Managing and Implementation Authority for co-funded actions of the Ministry of Interior and Administrative Reconstruction -EYSYDE of the Ministry of Interior and Administrative Reconstruction, officials of the Research Center for Equality Issues- KETHI, the Hellenic Center for Disease Control and Prevention – KEELPNO, the **Municipality of Athens**, the National School of Public Administration and Local Government EKDDA and the Institute of Training –INEP as well.

An official of the EYSYDE of the Ministry of Interior and Administrative Reconstruction carried out a thorough presentation of the Project, while the individual subcontractors carried out a special presentation of the subprojects.

1) A staff member of the company **C.M.T PERSPECTIVE** presented a full report of the results of the research concerning the health status of men and women in Greece ([click here for the presentation](#)).

2) A staff member of the **N.G.O. PRAKSIS** thoroughly presented the results of a survey concerning women prostitution and trafficking – illegal trafficking of women for sexual exploitation.

([click here for the presentation](#)).

After the presentations, followed a discussion based on suggestions and comments about the Project
