documents](#)

The General Secretariat for Gender Equality of the Ministry of Interior and Administrative Reconstruction implements the Flagship Project “Service organization for the integration, monitoring and evaluation of Gender Equality Policies in all aspects of Public Sector’s Actions (Observatory)”. The aim of this Project is to support Public Administration and Local Governments to design, implement and evaluate policies concerning gender equality. Through detailed data on equality issues (statistics and surveys) deriving from the development and function of relevant tools.

Under this frame, took actions of publicity for the project and particularly 8 technical meetings/ workshops with the participation of officials, 2 conferences and production of printed and electronic informative materials.

The Second Technical Meeting/ Workshop was held on Wednesday, May 6th, 2015, to inform the participants for the purpose and the implementation progress of the Project.

In this meeting participated government officials of the General Secretariat for Gender Equality of the Ministry of Interior, EYSYDE of the Ministry of Interior, officials of the Ministry of Interior and Administrative Reconstruction, the Ministry of Justice, Transparency and Human Rights, of the independent authority the Greek Ombudsman, as well as officials of the Central Union of Municipalities of Greece and the Association of Greek Regions.

An official of EYSYDE of the Ministry of Interior and Administrative Reconstruction carried out an overall presentation of the Project while a special presentation was carried out by member staff of INTRAWAY company as follows:

- Application about gender quotas in collective bodies of public administration. ([click here for the presentation](#))
- Survey on the language used in Public documents and the Guide of non sexist language in the Public Documents.

([click here for the presentation](#))

After the presentations, followed a discussion based on suggestions and comments about the Project.

With financing from Greece and the European Union
